

This Saturday 17th June we have the last 2 ChalCAN activities for Big Green Week – these are completely FREE and open to all! Do join us if you can.

10-11:30am Community Walk. Starts from Chalford Sports and Social Club and takes in some of the most important biodiversity areas in the Parish.

2-4pm Launch of the Chalford Family Cycle Route with a free Bike Check before you start.

A 6.5 km route prepared by ChalCAN volunteers, funded by a grant from the GCC Build Back Better Fund. Mostly on quiet roads or tracks, with some busier junctions where care should be taken and there will be marshals in place.

Leaves from the Millennium Green in Chalford via CSSC, TK and Bussage Park. **With a free bike check from Mark of Golden Valley Cycle Repairs.**
