

Dear TK Parents,

Chalfest 2024 is our hugely popular, not for profit, local festival taking place on 19th and 20th July next year; it is bound to be, yet another, sold out event. This year saw the likes of Melanie C, Arrested Development and Dick and Dom take to the main stage, along with over 40 other bands across four stages. There are also lots of free activities for children to make, see and do; such as climbing wall; arts and crafts; woodland and circus skills; graffiti and DJ workshops.

As your child attends Thomas Keble, they are entitled to community youth tickets. If you live in Chalford Parish or Eastcombe you can all buy your community tickets on September 28th at 8am here <https://www.ticketfairy.com/event/chalfest-2024-19jul2024/> .

If your child attends this school, and you live outside the catchment area, the Chalfest team will come to TK in February and sell the tickets directly. Please note it is only your child that is entitled to a community ticket if you live outside of the catchment area. You must buy general tickets via the Ticketfairy link above however please note that these have almost sold out.

Full terms and conditions can be found here <https://www.chalfest.co.uk/festival-info/>

If you have any ticketing questions or want to get involved as a volunteer or sponsor for this great community event, please email info@chalfest.co.uk

Best wishes,

The Chalfest Team
