September 2023

Dear Parent/Carer,

We have had requests for a repeat of the letter, sent out in Term 6 of last year. Please find the relevant details below.

In September, Year 10 shall be starting with A Christmas Carol and Year 11 will be starting with Macbeth. We would strongly encourage all students to purchase copies of their own. These will form a valuable part of the revision process and mean that students will have access to these books throughout the duration of the course. They can also annotate the text if they have their own copy of the book, making revision notes within the text itself.

In lessons, staff will be using a specific version of each text, which are listed below (links included to show front covers):

A Christmas Carol by Charles Dickens – 978-1517022297 (Amazon facsimile edition)

Macbeth by William Shakespeare – 978- 1853260353 (Wordsworth)

Yours Sincerely,

Mrs P Dodd
