

Unifrog – The Complete Destinations Platform

Dear Parents/Carers,

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next steps after school, we will now be using Unifrog; an award-winning, online destinations platform. All students now have access to this website and should have received an email to their school email address to set up their account.

Unifrog is the universal destinations platform and is designed to support learners in making the most informed decisions about their futures and has a range of tools that are suitable for all year groups. Each student has their own account where they can explore all the career and next step options available to them and find information on everything from managing their workload to writing a winning CV. Students have access to a wide variety of video and written content, and interactive quizzes and tests, including:

- **Quizzes** - to find their interests, personality type, preferred work environment, and skillset.
- **Exploring Pathways** – to explore careers, career sectors, subjects, sign up to free webinars, browse courses, and find wider reading materials.
- **Recording what you've done** – to record their in-class and extracurricular activities, record examples of their skills, and see the record of careers events the school has added to their accounts. For Year 11 this will include their 1:1 careers guidance meetings with our careers advisor, Mrs Farrow.
- **Placement tool** – to manage your work experience placement, including obtaining employer and parental consent, conducting health and safety checks, keeping a log of your placement and receiving feedback from the employer (Year 10 only).
- **Searching for opportunities** – to find scholarships, activities, and bursaries to support their HE journey. Find and compare degrees in the UK and overseas, live apprenticeships, and FE courses (for Key Stage 4 only)
- **Application materials / Making applications** – to write their CV, cover letter, Personal Statement, and more. Track their applications and record their Post 16 intentions (for Year 11 only).

Students access the platform by clicking a link in their welcome email, where they create a password and can begin using the platform. They sign in to Unifrog using their school email address and password and they can do so from any computer, tablet, or smartphone. We would encourage you to use the platform with your child so you can support them through the process of deciding their next step.

You can also have your own Unifrog account. You'll be able to research careers, attend webinars delivered by employers and universities to learn more about their opportunities, and compare pathways so you can support your child in making an informed decision about their next steps. The sign up code you need is:

TMKSpaents and you can sign up here: www.unifrog.org/code. You can also sign

up to Unifrog's parent / carer newsletter when you first sign in to get expert advice and guidance on supporting your child with their next steps.

For more information, go to www.unifrog.org or contact me directly – vcannam@thomaskeble.gloucs.sch.uk.

Yours faithfully,

Miss V Cannam
Careers Lead
