

February 2024

Dear Parent/Carer,

Our Year 8 pupils are beginning their Citizen Action topic in Citizenship. They will be looking at Dementia and how living with this can lead to loneliness and isolation. To complete this action, they will be hosting a Community Café to share their work with several invited guests who work with or support people with Dementia in our area. They will be asked to supply cakes, flowers, table clothes etc and will come home to tell you what they have volunteered to bring in for the café.

I am writing to invite you to attend the Community café. It will be from **11:50am-12:35pm on Tuesday 27th Feb in the Main Hall TK. I am especially keen to invite any parents who have first hand knowledge of supporting those living with Dementia.**

Year 8 is a large year group so I will need to limit the numbers of parents/family who can attend so I am allowing 1 adult per child to express interest and, if I have more adults than I can seat, I will pick names out of a hat and then issue tickets to the adults who can attend, via their child.

If you would like to attend, **please complete the slip below by Mon 19th Feb 2024** and return it to Mrs O'Malley at Reception front office via your child. I will ensure the tickets are issued ASAP after that date.

Thank you for all the support you will give us in making this event a success and I am sure that the children will feel a sense of pride in experiencing this activity.

Yours sincerely,

Jane Haynes
