

# Options 2024 - Choices Form - Final

From the list below you should choose, **in order of preference**, the four option subjects you would most like to study next year.

You **must then choose 2 reserve choices**, again, **in order of preference**. For each of your preferences and reserve choices you can give a reason why this particular subject is especially important. E.g. if you have plans to become a chef, you will want to mention this next to Food & Nutrition.

However, remember the rules:

- You **cannot choose the same subject more than once**;
- Your choices **cannot contain more than one DT subject**;
- Your choices **cannot contain both PE (GCSE) and PE (OCR)**.
