

Y10 GCSE Statement of Entry – RE Short Course

If your child takes RE Short Course, they will have received their Statement of Entry regarding their three RE exams in the Summer.

Please go through this with them carefully and check the following:

1. Their name and date of birth are correct;
2. They are entered for the correct subject.

Please email Exams@thomaskeble.gloucs.sch.uk as soon as possible, to report any errors. They will receive a personalised exam timetable during the week beginning 26th February.
