

Y11 GCSE Statement of Entry

Your child will have received their Statement of Entry regarding their Summer exams
Please go through this with them carefully and check the following:

1. Their name and date of birth are correct;
2. They are entered for the correct subjects;
3. They are entered for the correct tier (however, this may change in April);
4. Whether they have been entered for an incorrect subject.

Please email Exams@thomaskeble.gloucs.sch.uk, as soon as possible, to report any errors.
They will receive a personalised exam timetable during the week beginning 26th February.
