

Year 11 Study Leave: Available Options

Points to note:

- Thursday 9th May – Study leave begins.
- Please note that whenever students are in school (for exams and/or study sessions), they must be dressed in full school uniform.
- From Thursday 9th May - pupils will need to sign in at reception, unless you are in purely for an exam.
- If you are in school, but not here for an exam then you are expected to be in school for revision sessions or in a private study room. **You are not permitted to wander around school during lesson times** to ensure all classes can take place in a calm and effective way.
- With regards options - the option blocks (A/B/C/D) relate to the blocks as outlined below. The blocks are positioned where you would have the subject on your timetable so if in doubt, check your normal school timetable for Year 11.
- Private study rooms are for private study and revision. **Anyone talking or distracting others will be sent to a revision session or asked to leave the school site until their next exam.**
- Note: Shaded squares indicate all students in exam (No study room available)
- ALL AFTERNOON EXAMS WILL START AT 1:30PM – You are required to be ready to enter the exam hall at 1:20pm in the Key Stage 4 corridor.

This change has the following implications:

- If you have an exam and you are attending a revision class in school, you can leave period 4 at 12:50pm
- The lunch facilities will be located on the Tennis courts – the Canteen staff and equipment will be moving from the main hall.
- If you do not have an exam in the afternoon and you are in school attending a revision class, then lesson 4 will run as normal and finish at 1:30pm.

We hope you find the arrangements we have set up supportive. We urge you to make use of the guided revision sessions led by staff during your study leave. They are there to help. *Please note that the staff allocated are subject to change.*

Good luck.
