

# Summer 2024 Enquiries About Results (EAR)

## Candidate Request and Consent Form

### Information for candidates

If you are unhappy with your GCSE results, there are two services you may want to explore. Please be aware that there will be a cost incurred with both of these services.

#### Service 1- Clerical check

This is a re-check of all clerical procedures leading to the issue of a result. This service will include the following checks:

- that all parts of the script have been marked
- that the correct total marks have been given
- that all marks have been recorded

#### Service 2- Review of marking

This is a post-result review of the original marking to ensure that the agreed mark scheme has been applied correctly. **Reviewers will not re-mark the script.** They will only act to correct any errors identified in the original marking. This service will include:

- the clerical re-checks detailed in Service 1
- a review of marking described above

Following a clerical check or review of marking, there are three possible outcomes:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, so there is no change to your grade
- Your original mark is raised, so your final grade may be higher than the original grade you received.

*In order to proceed with the enquiry about results, you must complete and sign the form overleaf. This tells us that you have understood what the outcome might be and that you give your consent to the enquiry about results being made.*

This must be handed to the Data Office **by Thursday 19th September 2024**, along with the correct fee (where possible, please pay via bank transfer using the reference <Student Name> EAR).

The process can take several weeks. As soon as we hear from the exam board, we will contact you with the outcome
