Dear Parent/Carer,

To ensure you receive all the school's emails into your inbox, rather than your junk mail folder, please add the school's automated email address SC9164068a@schoolcomms.com to your safe senders list.

Please find links below to assist you with how to add an email address to the safe sender list, or contacts list, for some of the more commonly used email programs.

If your email provider is not listed, or you are still experiencing issues despite following the below, we would advise you to contact your email provider for further assistance.
