

Exams Information 2025-26

Mock Exams

The Y11 mock exams run for two weeks beginning on the 1st December 2025. The timetable will be available soon and posted on the website [Exams Information](#). Mock results will be emailed to parents on 13th January 26.

Summer 2026 GCSE Exams

GCSE exams are held from 7th May until 16th June 2026. However, all students must also be available for the National Contingency day of Wednesday 24th June 2026.

Y11 GCSE 2026 Timetabled Written Exams - attached

Students are entered for the exams in February when tiers of entry are finalised for Science, Maths and Languages. Detailed Personal timetables will be issued by the school after Easter.

However, if you would like to generate your own timetable earlier please see [My Big Year](#). My Big Year is an external platform that provides a personalised exam timetable generator for student entering Year 11 – months ahead of when schools are able to provide this information. You will need to know which exam boards we use for our subjects; a list is linked below. Please be aware that this is only an interim timetable and the timetable issued by the school in April will be the final version to use.

Exam Boards we use - list attached.
