

Dear Parent/Carer,

March 2026

Re: Year 10 Exams 2026;

The exams are scheduled to start 20th April. In addition to this letter, you will find a timetable of exams for the fortnight. Students will have exams in these subjects: Art, Citizenship, Computing, Imedia, English, Geography, History, Maths, Modern Foreign Languages, RE, Timbers, Food, Hospitality and Catering, Dance, Textiles and Science.

It is important students prepare thoroughly for these exams, as not only will they give teachers a summary of what students have learned, they also offer an important preparation experience for future GCSE exams. To help your child prepare, you will find attached an overview of each exam, what should be revised and how.

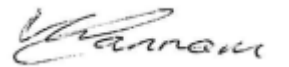

Normal homework will be suspended from Monday 6th April, through the exam period, to allow for focused and meaningful revision exercises to be set and completed.

Your support in helping your child prepare for these upcoming exams is appreciated and please do not hesitate to contact us if you have any further queries.

Yours faithfully,
