It's nice to meet you

Established in Stroud in 1893; Bateman's Sports is a family run, independent retailer that has developed into a local town staple. We specialise in providing school wear, team wear and sports equipment and clothing. We currently provide uniform to over fifty schools across Stroud and its surrounding areas and work with over forty sports clubs and teams across the South of England.

We take great pride in the fact that the majority of the schools we supply have found us through word of mouth which speaks to the satisfaction and endorsement of our existing customers, who have experienced our exceptional service first hand. Our commitment to exceptional service, knowledge and providing great products demonstrates our dedication to ensuring the satisfaction and loyalty of our customers. Bateman's brings together a wealth of experience and specialist knowledge of the school uniform business, priding itself on service and expertise.

Where are we?

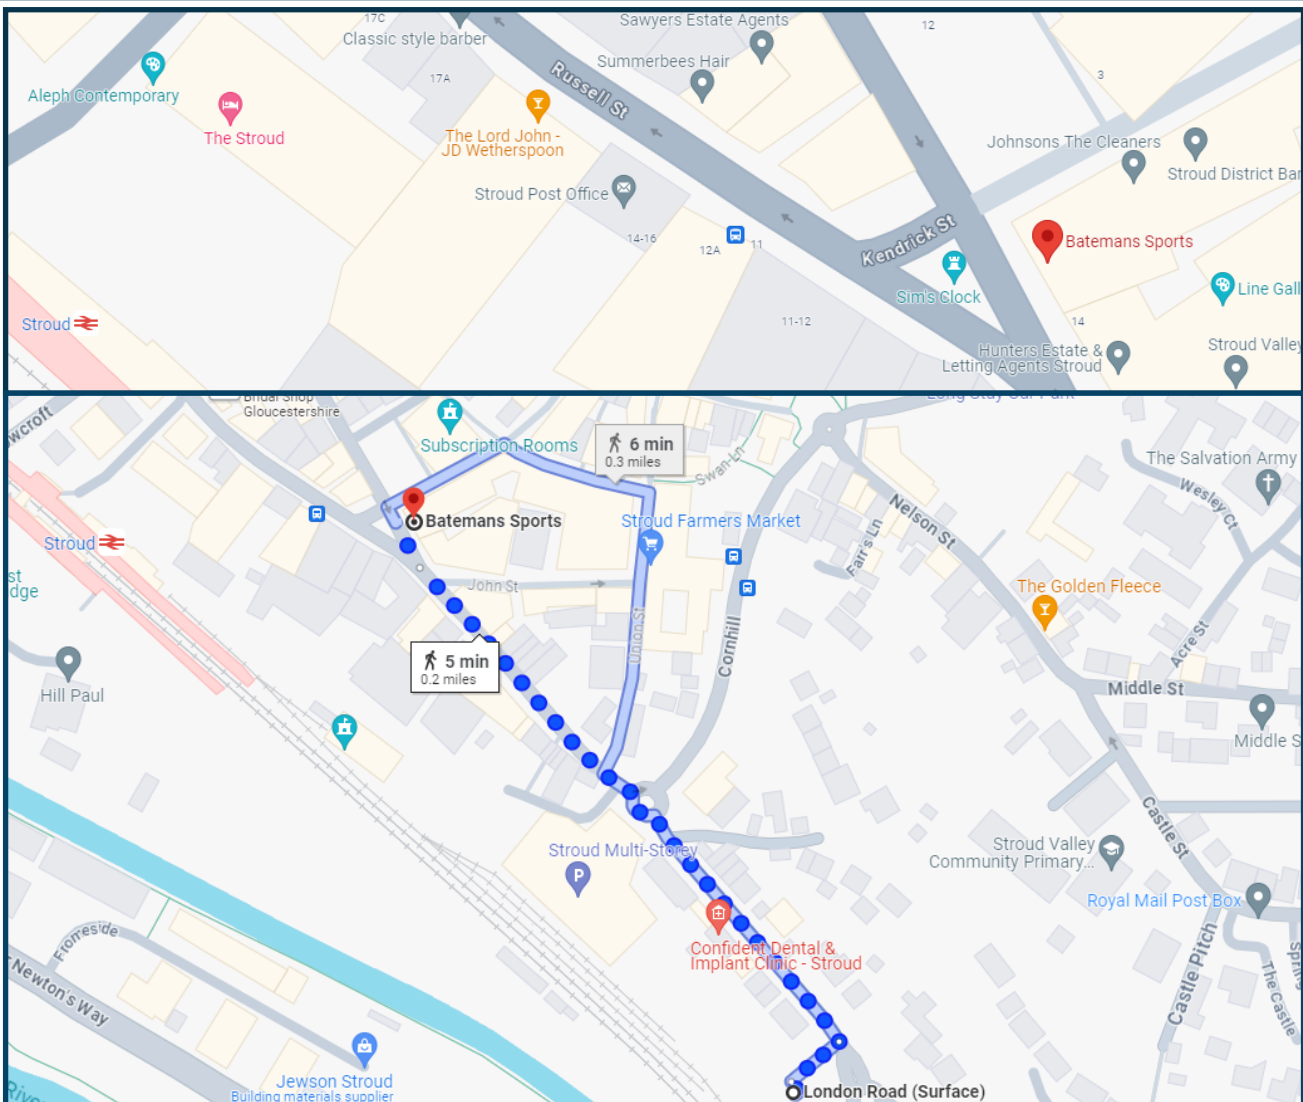

Bateman's Sports is based in the centre of Stroud town, next to the Subscription Rooms, near Stroud train station (GL5 3AP) and the local Highstreet.

Brimming with independent shops, cafés, galleries and home to one of the best Saturday Farmers' Markets in the country, there are plenty of things to do whilst visiting Stroud.

The closest car park to us is the London Road Car Park, just a short walk from us. They offer free parking every weekday after 2pm.

Find us at: Bateman's Sports, 2 Kendrick Street, Stroud, GL5 2AB.

Eco Uniform

As a Schoolwear business, we know that doing the right thing for the planet is not only incredibly important to us, but also the younger generation. You'll find that many of the school uniform garments we sell are now considered Eco Uniform, by using recycled plastic bottles in their make-up. We are conscious to work with suppliers whose ethos align with our own; so we can all work together to create a more sustainable future. Also, if your School wear is no longer in good condition and it is beyond repair or reuse, please don't throw it in the bin! Bring it to our shop and we will happily recycle it for you.

This stops school uniform unnecessarily going to landfill.

Measuring Guides

School uniform sizing can often differ from standard kids clothing sizes as uniform is usually categorised by body measurements instead of age. Finding the right size can be tricky as kids measurements change throughout the year. However, a great tip for getting a bit of extra wear out of kids' school uniform is sizing up by one or two sizes.

This gives kids' nice room to grow but ensures they won't be wearing anything too oversized.

HEIGHT

Measure from a level floor to the top of the head

CHEST

Measure the chest at the fullest part, measuring under the arms.

WAIST

Measure around the natural waistline at the smallest part.

HIPS

Measure around the widest part of the hips.

COLLAR

Measure around the base of the neck, where the collar sits naturally.

INSIDE LEG

Measure with shoes on from the crotch to the trouser is normally worn.

Blazers

How to measure: Measure around the fullest part of the chest, making sure that the tape is level under the arms and across the shoulder blades. Make sure you are relaxed when measuring to get a true measurement. If you measure as 30" (or 76cm) then your jacket size will be a size 30". Blazers and Jackets are true to size, so no need to order up a size to accommodate clothing underneath.

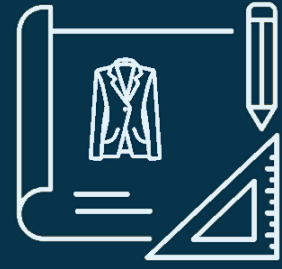

Skirts

How to measure: Measure around the waist at the natural waistline (smallest part). In younger children this is usually midway between the bottom rib and hip bone.

Find the correct length: Measure from where the skirt would sit (usually midway between the waist and hips) to where you want the skirt to finish. Many of our styles are available in various lengths to suit your requirements.

Shirts and Blouses

Shirts: How to measure: Measure around the base of the neck where the collar sits.

Blouses: How to measure: Measure around the fullest part of the chest, making sure that the tape is level under the arms and across the shoulder blades. Make sure you are relaxed when measuring to get a true measurement.

Trousers

How to measure: Measure around the waist at the natural waistline (smallest part). In younger children this is usually midway between the bottom rib and hip bone.

Inside leg length: When measuring make sure you are stood up straight, with shoes on.

Measure from the top of the leg (inside near to the crotch area) down to where you would like the trouser to fit. This is usually an inch or so from the floor or where you feel you would like the length to finish.
